**RE: Meal Distribution**

Marion Central School is working to make sure that all district students have access to breakfast and lunch each day. During this emergency all students are eligible to receive free meals each school day that we are closed.

If you would like your child(ren) to receive a meal(s) please come to the main entrance of the Elementary school or the Jr.-Sr. High building between 11 am and 12:30 pm beginning on Tuesday, March 17th. Please remain in your vehicle, someone will bring the meals to you. You will need to give us the names of the students the meals are for. You will receive one lunch for the day and a breakfast for the following morning. You do not need to take both meals if you would only like one.

You may go to the most convenient location for you for all meals needed. You do not need to go to your student's specific building. If you are unable to pick up meals, but still wish to receive the meals, then please call 315-926-2409 to make other arrangements. If no one answers, please leave your name and number and someone will get back to you as soon as possible. Thank you.

Sincerely,

Donald Bavis  
Superintendent of Marion Central Schools
