June 3, 2022

To Our Marion Families,

Today, we were made aware of a situation in Gananda involving a student suspected of having a firearm. All students in Gananda are safe and the suspect is in police custody. We've been told there were no shots fired in the school. Although we closely monitored the situation, Marion staff and students were never in danger.

Prior to this incident, a discussion of district safety and security precautions had been added to the agenda for the June 6th Board of Education meeting. At this meeting, we will be reviewing already completed safety and security measures and practices, as well as additional steps to consider moving forward. I invite you to join us.

Respectfully,
Don
