

Walking in the Schools

For safety and security reasons it has become necessary to formalize procedures for walking in the halls of the school buildings.

Schools will continue to be open for the community to use for walking from November 1st through April 30th. The Elementary School is open from 4:00 PM – 8:00 PM. The Jr.-Sr. High School will be open from 5:00 PM – 8:00 PM. (Note: NO animals are allowed in school buildings without written approval of the building Principal.)

We are asking anyone who wishes to use the schools for walking to please fill out the form below and register with the school in which they wish to walk. If you use both school buildings, please indicate that on the form, and a copy will be sent to each building office. Please bring your form along with a valid Driver's License or state issued ID to either school office. At that time we will scan your ID through the RAPTOR system and you will be provided with a lanyard which you should wear while in the school to identify you as a walker.

Each building will be setting up a sign in area where you will be asked to sign in and out of the building. This procedure will be explained to you during registration.

If you have any questions, please call one of the building offices: Elementary 315-926-4256 or Jr.-Sr. High School 315-926-4228.
