Please read this notice carefully and keep it where you can find it. This notice has information about your rights under the Women's Health and Cancer Rights Act.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under your current health plan. Please refer to the summary of benefits for your plan that can be found on the District website or you may request a paper copy of your plan benefits. If you would like more information on WHCRA benefits, call your plan administrator.
